

OHS POLICY

PTC is committed, and will ensure the Occupational Health, Safety and welfare of all their employees.

PTC is responsible and will be held accountable for ensuring compliance with all relevant OHS Legislation and Regulatory Authorities.

PTC will consult with all employees to enable the employees to contribute to the making of decisions affecting their health, safety and welfare at work.

PTC will ensure that safe systems of work are implemented and that information, instruction, training and supervision as may be necessary to ensure the employees health and safety at work is provided.

Objectives:

The objectives of this Policy are to demonstrate an Occupational Health & Safety Management System, which meets the highest standing in providing:

- A safe and healthy working environment
- Safe systems of work
- Plant and Equipment in safe working condition
- Consultation with all employees to ensure that they are safe from injury and risk to health
- Information, instruction, training, and supervision to all employees to ensure their health, safety and welfare.

Strategies:

- Ensuring management is committed to improving Occupational Health & Safety through planning, setting targets, allocating resources and evaluating outcomes.
- Ensuring management implement processes to allow employees valid consultation on matters involving their Occupational Health & Safety.
- Ensuring supervisors are responsible and held accountable for implementing the Occupational Health & Safety procedures for employees, contractors and visitors in their area.
- Ensuring Supervisors are trained and competent

A handwritten signature in black ink, appearing to read 'Sarkis Nassif', written over a light blue horizontal line.
