

QUALITY POLICY

At PTC, our objective is to embrace quality practices and procedures to satisfy the needs and expectations of our clients. Our approach to quality recognizes the need for continual improvement in our performance, to enhance the Company's reputation to clients and within the industry. To attain this objective, our aims are to:

- Apply standard procedures that ensure compliance with our client's requirements;
- Provide each PTC employee with appropriate training to enable competent performance of their duties;
- Comply with all laws, regulations, ISO/AS 9001 Standard and other applicable requirements;
- Establish, maintain and review our quality objectives and techniques to ensure continual improvement in our procedures and methodologies.

As Managing Director of PTC, I am committed to a policy of quality management and accordingly direct all staff, subcontractors and suppliers associated with Company activities to recognise, contribute and abide by this commitment.
